| <u>Record Number</u>      | <u>Field Number</u> | <u>Field Name</u> | <u>Data Type</u> | <u>Max Length</u> | <u>Format</u> | <u>BUS Key</u> | <u>Req?</u> | <u>Rules</u>  |
|---------------------------|---------------------|-------------------|------------------|-------------------|---------------|----------------|-------------|---|
| <b>Record Level Rules</b> |                     |                   |                  |                   |               |                |             |   |
|                           |                     |                   |                  |                   |               |                |             | Timely processed Policy Producer, "P10" and Insurance In Force, "P14" records are required before a Notice of Loss, "P58" record will be accepted.  |
|                           |                     |                   |                  |                   |               |                |             | A Notice of Loss, "P58" record may be processed independently or along with all other PASS records. PASS will allow Notice of Loss, "P58" records to be deleted using a Record Type Delete, "P48" record. |
|                           |                     |                   |                  |                   |               |                |             | PASS will allow Notice of Loss, "P58" records to delete or add to previously submitted information.   |
|                           |                     |                   |                  |                   |               |                |             | Record must be submitted between 10/01/2010 and 2/12/2015.  |
|                           |                     |                   |                  |                   |               |                |             | The Notice of Loss, "P58" record will not be accepted when processing has been suspended for this record type per RMA directive.  |
